A: The Summer 2025 Housing Application remains open after returner housing selection has started. If a Spring 2025 student lives in the suite you selected for Summer and applies for Summer Housing, that suite will have to be taken off the market. The suite will not be ready for a new Summer student to move in during Summer Move-In because the current spring resident will remain in their booking until they move over to their Summer 2025 booking.

Q: I am working on becoming eligible for Summer 2025 Housing – can I still select a bed?

A: Students who are not eligible for Summer Housing because they are still in the hiring process during selection will be able to select a bed. Students who are not eligible for Summer Housing will have their bookings dropped.

Q: Do I have to select a meal plan for Summer?

A: Yes, meal plans are required for Summer. Please see, the **Housing and Meal Costs page** for more information.
