On-Campus Living

Dining on campus makes life easier. No grocery shopping, cooking or clean-up necessary. With over twenty dining locations and five convenience stores available across campus, you can find what you want, right when you want it. Students living on campus are required to purchase a meal plan. Students choose their own meal plan based on personal dietary needs. Our top-tier plan offers the best value and includes $150 bonus dining dollars!

Off-Campus Living

Between classes, extra-curricular activities and studying, it can be difficult to find time to sneak in a snack or eat a whole meal. If you find yourself hungry between classes, a meal plan may be right for you. Our eateries provide the same market pricing used at other valley locations, so there’s no need to leave campus to find food. Students living off-campus have the option to purchase a meal plan using scholarships, financial aid, or a payment plan similar to their tuition plan.
Dining Dollars come with your meal plan, which is required for on-campus students. They're accepted at any dining location, including GCBC, convenience stores, and farmer's markets. Dining Dollars do not expire until you graduate!

Lopes Cash is a separate tender that can be used for many things aside from dining. Like Dining Dollars, it is accepted at any dining location. To add more Lopes Cash to your account, sign into your Student Portal, go to Finance Hub, and then click on Lopes Cash.

All locations will accept credit and debit, and most will accept cash. Most cannot accept gift cards or brand-specific coupons, but we will occasionally offer specials, and limited time offers.

All of our locations are high-energy, casual, and fun. We pride ourselves in making GCBC an all-inclusive atmosphere for Lopes and visitors alike.
Mindful Dining

Sodexo is committed to creating healthy environments for our students. Central to this effort is providing healthy, nutritious foods. Our executive chefs and registered dietitians work together to create an exciting collection of recipes. Some of these can be found at Fresh Fusion and in the Lopes Mart stores. Mindful recipes meet the following criteria:

- 600 calories or less
- 35% or less calories from fat
- 10% or less calories from saturated fat
- trans fat FREE
- at most 100 mg cholesterol
- at most 800 mg or less sodium
- at least 3 g or more fiber

Mindful items are also Healthy Picks. For more information, visit mindful.sodexo.com.

GCU Healthy Picks

Sodexo's Mindful program is great, but it is limited to Sodexo recipes. To help you identify what items are healthier at all of our locations, we've created our Healthy Picks program, which will help you not only determine what items might be considered "healthy," but also what items are vegetarian, vegan, and gluten-friendly. This is as simple as picking items that have the icons below, which should be posted at or nearby each location. Or, take a look at our Healthy Picks guide. If you'd like to talk about your healthy options, please contact our Campus Dietician, Emily Orvos: emily.orvos@gcu.edu
We offer ongoing employment opportunities while attending school and we employ hundreds of students throughout our locations. Job opportunities offer competitive wages and flexible schedules. You can pursue two employment options with Dining Services:

**Part-Time: Student Worker**

You can find a complete listing of job opportunities through the Workday Portal, which may be accessed at jobs.gcu.edu/student-worker-jobs. This means you would be a GCU employee. As stated on the website, there are requirements which must be maintained as a student. You must:

- be local; all jobs are located on or near GCU’s main campus in Phoenix, Arizona.
- be enrolled full-time at GCU.
- maintain a 2.0 GPA (3.0 for graduate students) or higher.
- work a maximum of 20 hours per week during fall and spring terms; 40 hours per week during scheduled breaks.

As a GCU student worker, you can enjoy flexible schedules and familiarity of our campus locations.

**Full-Time: Sodexo**

As GCU’s Dining Services provider, Sodexo employs many full-time staff and part-time students. A Sodexo position offers a great opportunity to get some full-time job experience. As the backbone of GCU Dining, the vast majority of Dining Operations are run by Sodexo. The company is committed to flexible work schedules in order to help student workers continue to attend classes. As a worldwide Quality of Life provider, there are many opportunities for advancement, especially for those seeking culinary positions. To apply, visit: https://external-careers-frontlinesodexo.icims.com/ and make sure you filter results by Zip Code 85017.
Mystery Munchers

Do you want to join our elite team of secret shoppers? Our student-run dining committee members - AKA the Mystery Munchers - help ensure that we are constantly achieving the best possible quality and customer satisfaction. Committee members conduct monthly mystery shopper visits and report their experiences in monthly meetings with Sodexo managers. It's a great way to help your dining department keep an eye on our quality and help direct future dining options. Also, let's not forget free food and a t-shirt! For information on joining the committee, please contact us at gcudining@gcu.edu

Meet 'N Greet Lunch
(Lunch with the General Manager)

Our new lunch program happens once a month and allows students and faculty to get some face-to-face time with the Sodexo Resident District Manager, and a guest Retail Manager, over a free meal. The guest manager will hand out flyers to guests, inviting them to the lunch. If you would like information on this program, please reach out to us at gcudining@gcu.edu. Please note: emailing us will not guarantee you a spot! The manager must issue an invitation. But it never hurts to introduce yourself!
