Hello Lopes!

My name is Emily Orvos, and I’m your GCU Campus Dietitian! I’m excited to work with you and get to know you all.

Originally, I’m from Kansas City, Missouri and moved to Phoenix after I finished college. I love all the hiking and fun outdoor activities Arizona has to offer! I attended the University of Missouri, where I studied both nutrition and exercise physiology.

I stayed at Mizzou for grad school and my dietetic internship as well. My background is predominantly sports and exercise nutrition, but I’m also passionate about helping everyone improve their relationship with food and with their bodies.

My goal is to help you achieve YOUR goals related to health and nutrition, and this will look different for each one of you! Feel free to call the health center and schedule an appointment if you’re interested in working with me one-on-one.
