Disclaimer:

This guide is an informational piece to help make informed decisions, and to showcase healthy options that might be available to you on campus. While we make every effort to ensure that information is accurate, menus and ingredients do change over time, and thus there might be outdated information present. We strongly recommend that you let the manager or supervisor on duty know if you have food allergies or other dietary restrictions, and to double-check with brand websites to confirm information contained herein. We also encourage you to ask us about ingredients, and how we prepare your food. We follow strict food safety practices, but many of our foods are prepared on shared equipment, and so there is a small risk of cross contamination. If you see something requiring our attention, please contact us and we'll fix it. Contact information can be found on Page 11. We hope this guide is helpful to you! Thank you.

EXPLANATION

Rating is a count of how many tests an item passes. The higher the rating, the more healthy it is, overall!

When possible, our dining locations will feature these symbols on their digital menus. Most eateries will have a poster displayed that shows these items. Please ask a server or manager if you have any questions. **HEALTHY PICKS**

MEET YOUR DIETITIAN

Hello Lopes!

My name is Emily Orvos, and I'm your GCU Campus Dietitian! I'm excited to work with you and get to know you all.

Originally, I'm from Kansas City, Missouri and moved to Phoenix after I finished college. I love all the hiking and fun outdoor activities Arizona has to offer! I attended the University of Missouri, where I studied both nutrition and exercise physiology.

I stayed at Mizzou for grad school and my dietetic internship as well. My background is predominantly sports and exercise nutrition, but I'm also passionate about helping everyone improve their relationship with food and with their bodies.

My goal is to help you achieve YOUR goals related to health and nutrition, and this will look different for each one of you! Feel free to call the health center and schedule an appointment if you're interested in working with me one-on-one.
