

Health and Wellness Clinic

Here for your health care and convenience

The Health and Wellness Clinic provides a wide range of services and treatments and is conveniently located on campus. Qualified health care providers include board-certified registered nurse practitioners who specialize in excellent individualized care, preventative care and wellness education.

Students have full access to the following services to meet their health needs:

- Illness diagnosis and treatment (including medication prescriptions, ordering tests and specialist referrals)
- Physical exams for school, sports and employment
- Laboratory testing
 - If labwork needs to be sent to outside lab for further testing, students can pay with cash/card or have AZ insurance billed
- EKG testing
- Blood pressure checks
- Ear lavage
- Pregnancy test
- Low-cost prescription medications
- Free over-the-counter medications
- Women's health exams
- Travel health
- Immunizations (TB skin test, tetanus and flu)
- Nebulizer treatments
- Glucose test
- Wart removal
- Titters (MMR, Varicella and Hep B)
- Radiology (coming Fall 2018)

Visit gcu.edu/healthclinic for a full list of services and treatments.

OUT OF STATE STUDENTS:

Check with your insurance plan to find out if you have medical and dental insurance coverage in Arizona.

Please note, at this time GCU does not bill insurance other than the student health plan (subject to change). Each visit is \$25.
